ACTION PACKED TRIP TO PALOMAS

VOLUME 1, ISSUE 3

CHIA took a group from LakePoint Church from Rockwall, TX along with people from Dallas. Additionally, we had some come from Oklahoma to help in the Opotometrist area. There were a few kids that joined us and helped in many areas. This trip was a little unique in that we did both a Medical Clinic and Work Camp.

It was action packed from the moment we showed up. The clinic saw over 90 people in the first "half day" and the Work Camp worked non-stop from the time we showed up.

We were able to start the remaining area of the foundation of the church. As well, we were able to put up a wall for the apartment for the pastor and his family. The only issue we had was the roof we poured became too heavy for the support beams that were put in by the locals. We had to stop on the last day due to it being too

dangerous for everyone. We did get together and pray for the roof and church before leaving the property. We know that our Lord has a reason for it all.

Tiffany Olson of Rockwall said "there isn't a moment/story that can describe the knowledge, compassion, love and relationships made over such a short period of time!" Everyone was touched in different but similar ways. Everyone left saying that they are looking forward to coming back.

If you would like to look at the daily summary of the trip go to <http://chiamissions.blogspot.com/>. You can see a daily video along with what each **Prayer Warrior** received each day.

Linda Kohler, Shanna Graham, Regan & Wyatt Ogle work at the Pharmacy.

CHIA OFF TO NICARAGUA

The remaining months of 2007 promise to be very busy. We have 9 trips planned from now until the end of the year. One of the trips will be to Nicaragua on October 26th for 10 days. We will be running a Medical Clinic and we still have a few openings left.

We have other trips planned for

locations throughout Mexico to Juarez, Santa Elena, Juan Mendoza, Constitucion, Chihuahua and Palomas. I would encourage you to pray about how you can get or stay involved with CHIA and get out on one of the remaining trips this year.

CHIA'S 2007 ANNUAL BANQUET

We will also be doing our Annual CHIA Banquet the week of November 12th. This promises to be an exciting and uplifting time. We will be able to reflect back on this exciting year and praise Him for what He is doing in Mexico and South America.

Currently we are looking into an evening banquet and having live entrainment for a time of Praise & Worship led by Michael Chenoweth (<http://www.praiseprojects.org/>)

Stay tuned via our website, or contact us, if you would like to attend this event !
